

UNBOUNDED BOUNDARIES

CONCRETE INFINITY

"Unbounded Boundaries" is an interesting artwork about how solidity and infinity come together. It encourages reflection on tangible entities that exude solidity yet convey an impression of boundlessness and can go on forever. Through good craftsmanship and clever design, this artwork shows how concrete can have something lasting but also stand for endless possibilities. Every part of the artwork tells something about how shapes can be strong and how much you can imagine with them. When looking at the artwork, it invites you to dream about everything that is possible. "Unbounded Boundaries" shows how creativity knows no bounds and can make you wonder.
